

## Web UI Engineer (Javascript specialist)

Do you have an eye for detail and experience developing impeccable website user interfaces?

We're looking for someone to join our team in developing the next generation of travel services.

### Your responsibilities will be to

- 1) Develop standards-compliant website Javascript using the jQuery foundation and framework
- 2) Perform cross-browser and cross-platform testing to ensure a seamless user experience across 95+% of all user browsers/platforms
- 3) Organize focus groups to conduct UX tests on developed UI templates and report feedback
- 4) Manage and publish all content on the website
- 5) Keep up to date with UI technology and trends
- 6) Participate in internal product improvement, evaluation and beta testing exercises
- 7) Mentor junior web UI engineers

### You'll need to have

- 1) Good English communication skills
- 2) Experience in XHTML, CSS and jQuery
- 3) Experience developing XHTML templates
- 4) A degree in computer science / engineering

### The ideal candidate is

- 1) A team player who takes pride in their work, has an eye for detail and a sharp mind
- 2) Experienced using a CMS and developing templates for mobile device compatibility
- 3) Comfortable in a fast-paced entrepreneurial environment that requires improvisation

### In return we offer

- 1) A work environment with the region's best
- 2) A highly competitive salary commensurate with experience and travel perks
- 3) An opportunity to shape the future of travel

### Who are we

Musafir.com was founded in 2007 as the UAE's first premium-experience travel website and established its presence in India in 2010 as the official ticketing partner of the Rajasthan Royals cricket team.

We offer flights on over 270 airlines including low-cost carriers, hotels in over 46,000 properties around the world and a specialized online corporate travel service named Musafir Business.

We are currently pursuing an ambitious expansion plan in India and the Middle East, and are looking for talented professionals to help deliver our vision of the next generation of travel services.
